## Guarantee

We cannot guarantee any trees, shrubs and plants sold by us, other than that they are true to name and free from disease, and hold ourselves prepared to replace, on proper proof, all that may prove to be otherwise; we do not give any warranty, expressed or implied, with respect to them. Any and all such goods are sold upon the express condition and understanding that in case any of them prove to be untrue to name, unhealthy or otherwise defective, we shall not be held responsible for a greater amount than the original price of the goods. In no case do we assume responsibility after goods are shipped, unless for our own mistakes.

**No claims for errors or shortages will be allowed unless made immediately upon receipt of goods.**

We will not fill long lists for one or two of a kind at less than single rates; we will supply twenty-five of a kind at hundred rates, 250 of a kind at thousand rates. **Samples will be charged at ten rates.**

**TERMS:** Cash with order from unknown parties, or satisfactory reference. If goods are to be sent C. O. D., one-half the amount must accompany order. Packing will be done in the best manner, at cost, at the expense of the purchaser, but no charge will be made for delivery to the railroad in Elizabeth.

**A Certificate of Inspection is attached to all shipments.**

**TO OUR CUSTOMERS:** On all orders placed with us, stock is sold at the nurseries without freight allowance. The plants become your property upon delivery of them to the Transportation Co., and we cannot be responsible for loss, damage or delay in transit. Your recourse is with the Transportation Co. and not with us. If plants are delayed in transit, before receipting for them, require the Station Agent to note same on the freight or express receipt, then make your claim on the Transportation Co. If you accept shipments without proper notation on freight or express receipt the loss will be yours. Every assistance in our power will be cheerfully rendered you to trace and recover lost goods and collect damages.
